1099-13-194   **Linquan Ma*** (`lquanma@umich.edu`), 610 Hidden Valley Club Dr, Apt 216, Ann Arbor, MI 48104. *F-injectivity and Buchsbaum singularities.* Preliminary report.

We prove some interesting connections between F-injective singularities and Buchsbaum singularities. We will also discuss some partial results on DB singularities. (Received February 08, 2014)
