IAS | INSTITUTE FOR
ADVANCED STUDY

MEMBERSHIP

THE SCHOOL OF MATHEMATICS welcomes applications from postdoctoral, mid-career, and senior mathematicians and theoretical computer scientists, and strongly encourages applications from women and minorities.

Stipends, on-campus housing, and other resources are available for periods of 4-11 months for individual researchers in all mathematical subject areas. The School supports approximately 40 post-docs per year. In 2018-2019, there will be a special-year program called "Variational Methods in Geometry," led by Fernando Codá Marques of Princeton University, however, Membership will not be limited to mathematicians in this field. **For more information, please visit:** math.ias.edu/administration/membership

Application Deadline: December 1, 2017 • mathjobs.org
