1030-11-269   **Shuichiro Takeda*** (shtakeda@math.ucsd.edu) and **Wee Teck Gan**. *The local Langlands conjecture for GSp(4).*

We will show how to prove the local Langlands conjecture for GSp(4) via the theory of theta correspondence. Also we will discuss how the local Langlands conjecture for Sp(4) follows from that for GSp(4). (Received August 05, 2007)
